HI Stu

Thanks for the quote.

Can the payment be made via credit card?

Please let me know. Thanks

Yes, we can do that. But there is a 2% charge.

Stu

Hi Stu

Thanks for the response.

I have attached low voltage permit requirements for Prince William County Virginia.
I have highlighted an exception. Would this apply to this project?

Kindly review and let me know.

Please let me know if you have any questions.

Hi Gaurav -

You probably have a Plenum Ceiling. You need to call the building management to confirm.

It's new construction
We are installing the ceiling
Yes, it's a Plenum Ceiling.
Let me know your thoughts

Thanks

To: Gaurav Ohri <cosmocontouring@gmail.com>

We can pull the Permit but it looks like it is not needed.

Good Morning Stu

We are starting construction in our space August 20.

The framing will be up this week and the electrical / mechanical contractors will start work thereafter.

Let me know your thoughts on when you folks would like to get started?

Thanks

Hi Gaurav -

If the walls up we could start this week. Does that work for you?

Hi Stu

Only the framing is going up this week.

The drywall will go up in 4 weeks after electrical and mechanical is done.

Let me know your thoughts on how you want to proceed?

Thanks

After the framing is up, we can rough in the cable. Then after the drywall is up and the ceiling grid is in (but before the ceiling tiles are in place), we can drop the cables down the wall and finish the terminations and testing.

Can you send a signed copy of the proposal to me?

Makes sense.
Can I request for you to reduce the proposal price?
Would love to work with you folks and start a new business relationship for future projects.

Kindly let me know. Thanks

Hi Gaurav -

On a small project like this, there is little room for a discount.

Hi Stu

I appreciate your assistance and clarification.
Can I request a total of $4000?
I would like to sign off and give the 50% deposit via credit card.

Let me know. Thanks

We can't give you a discount like that if you also plan on paying by credit card. You can have a slight discount for check or ACH... or you can pay by credit card with no fee for it from us.

How early may the team start on Monday, Aug 26th to rough in the cabling. And whom may we call to verify that the framing is completed? Also, will we be mounting the rack frame in the Electrical Room?

Also, do you know if there are j-hooks up in the ceiling already?

Hi Stu

I can confirm framing by Thursday.

As for the rack frame in the Electrical Room - see attached photo of current electrical room.

We do not have electrical or ceiling in the space as of yet.

Would it be possible for a site visit to better understand the space and schedule?

Please advise. Thanks

Hi -

We can put the rack in there. We will just put it on the opposite wall of the electrical panel. How early may we start? This is an important question because sometimes GCs demand early work and for everyone to leave when he leaves.
